SERVICE Above Self

Short and Sharp

WHAT A GREAT NIGHT!

The majority of members of Brunswick Rotary (except for poor old President Doug) met with many of our friends from surrounding Clubs (I won't list them in case I leave one out) at Abruzzo for a Combined Meeting. It was a thoroughly enjoyable evening and I think the opinion was unanimous that we should make it an annual event. These decisions frequently do not come to fruition so let us see what happens.

Guest speaker was a young lady from Bowling Green Kentucky (apparently I am the only Australian Rotarian that she has met who has actually been to that little town of which my strongest memory is severely overdosing on excessively sweet chocolate) who is finishing her year in Australia as a Rotary Exchange Student. A married lady in her early 20s visiting here with her husband who has involved himself in coaching local gridiron teams, she spoke with great confidence and enthusiasm about her time in Australia and the ways in which she believes she has been developing her knowledge and leaderships qualities. I am sure that she would have made many friendships that will continue well into the future.

RAFFLE TICKETS

Keep those tickets and money rolling in folks and please let Greg know if you are having any trouble disposing of the them. We do not want any shortfall.

If anybody thinks the bulletin is a bit short this week, pass on some news, send me a story or even a photo. Letters to the editor are welcome and may encourage debate and activity.
