SERVICE Above Self

CHANGING OF THE GUARD

Congratulations to Adam on his selection of his Board for 2006/2007. Adam has got rid of the old buggers (except for Mal and Doug) and set the scene for the future of our Club. Also, thank you to the new Board Members for accepting this responsibility at the commencement of their Rotary careers. By the way, is it a consy of Adam to do all this 8 months in advance. What's wrong with the last minute?

BOARD REPORT

President Doug reported that the Aboriginal Football Game is not going ahead but that we look like giving our support to the Aboriginal Basketball Teams.

Doug also reported that he and Reg Geary are working on a schools obesity program and that any volunteers would be welcome.

Speaking of Reg, he is a bit "butcher's" so we send Reg our best wishes.

The Board approved Peter Johnstone purchasing an amplification system that will assist hard of hearing members- whether they have hearing aids or not- to clearly hear the pearls of wisdom that are dropped at our meetings.

Dean Kennedy introduced and showed the draft of our new website which looks impressive to me. Troglodytes like Barry Cross had no idea what Dean was taking about.

Cheryle, Mal and Doug are going full steam ahead arranging "DANCE INTO AUTUMN" for late April or early May 2006.

SMART "A"

At the meeting, Adam Ramage enjoyed airing his knowledge as the only member to know the name of the current World President. I think he is a German bloke.

Sergeant John Hardwick reported on a weekend at Daylesford at the home of Warren Maloney. John felt a bit out of place in Daylseford as he only has had one partner and – even worse – one of the opposite sex. Keep trying John – you may well learn to broaden your mind.

Greg and Glenyce Sewell sent us their best wishes from holidays in Queensland and Will Moulding has also sent us his best wishes via Barry Cross.

FELLOWSHIP DINNERS

Will be scheduled for February 2006.

For the new members, the story is: Members and their spouses (spice?) are invited to volunteer to either host a lunch, barbecue or evening meal or to be visitors at such a function.

Two or three couples are allocated to visit each host at a cost of \$75 for two plus some nice wine. The money goes to our good works and the wine is used to have a good time. You get the host that you are given and the accompanying guests that you are given but we will endeavor to make the arrangements geographically reasonable.

The purpose of these "fellowship dinners" is to allow us to get to know each other better socially and we will try to arrange a reasonable cross section of members at each gathering.

Please let Terry O'Meara know whether you would prefer to be a host or a paying guest or perhaps you would prefer to "double dip" and be one of each.

NOTICE OF AGM

Thursday November 24th 2005 1PM at Abruzzo

DRAWING OF RAFFLE

The raffle will be drawn at our meeting on November 24th. Please return any un sold tickets immediately (without any embarrassment) because we have buyers waiting.

CHRISTMAS CAKES AND PUDDINGS

These always prove very popular and excellent value at \$13 each so it would be advisable to hurry up and place your orders with Barry Cross.

CHRISTMAS PARTY

Does anybody fancy the idea of having some sort of get together? If so, speak to Terry O'Meara about your suggestion.

PENCIL PROGRAM

We are supporting the District PET project, providing as many pencils as we can for East Timor children. Grey Leads and Colours and the odd sharpener too. We have been asked to fill the green bag, but if we all contribute, we can hopefully fill two by Christmas. So the next time you shop, or pass by the family shopping list, add a pack of pencils which we know will be greatly appreciated in East Timor.

MEMBERSHIP

We have announced a target of 10 new members before Adam takes charge in July 2006. All incoming board members are reminded that many hands make light work, so we should all be thinking if we know any prospective members. Now that our regular meetings are well attended and vibrant, we should be inviting potential members all the time. If you want a hand with recruitment, speak to Adam, Mal or Cheryle.

P₄ETS 2005

A project for the
Family of Rotary in District 9800
during 2005-2006

Here is your Starter Kit for your Club.

**A Green Bag
A Pencil - AN HB PENCIL**

LET'S THINK ABOUT THE POWER OF ONE

Why the power of one ?

ONE Green Bag FULL per Club, would be fantastic !!
(and more than ONE will be brilliant)

ONE pencil/ ONE family

If each "family" in the District purchased just 1 pencil while at the Supermarket each week for 40 weeks we could collect -
1 pencil x 3000 families x 40weeks
= 120 thousand pencils (cost per week 8 cents)

ONE pack / ONE family

If each "family" in the District purchased just 1 pack of pencils while at the Supermarket each week for 40 weeks we could collect
- 1 pack (10 pencils) x 3000 families x 40weeks
=1. 2 million pencils (cost per week 80 cents)

About as many Rotarians as there are on the planet !!!!

*******Bring them along to the Conference in Geelong and see the impact ONE DISTRICT - 9800 can make !!! WE WILL HAVE A "PENCIL CASE" THERE FOR YOU TO DEPOSIT YOUR PENCILS.**

Pencil sharpeners would be a bonus **JUST THE ONE !!!!**, and to add colour and creativity some coloured pencils would be bonus +.

DIK will ship to Timor Leste at no cost - that means all our donations will go to where they are needed, no extra costs involved.

Oops - what is DIK - Donations in Kind : refer to Bill Dagg

THE POWER OF ONE, EACH ONE OF US, WILL MAKE A DIFFERENCE !!!

I hope that you will support me with this " PET project" for 2005 -2006

An invitation for you to experience the magic of RYLA!

Dear Doug

Rotary Youth Leadership Award (RYLA) is a youth development program and one of Rotary's outstanding New Generation initiatives. This year the program will be hosted by the Rotary Club of Brighton North, and will be held at Wonga Park, Melbourne, from December 4th to 10th inclusive.

In July, your New Generations Director should have received an invitation for your club to sponsor young people to participate in the program. This is an invitation for you, and other members of your club, to attend **the RYLA Presentation night at Wonga Park on Thursday 8th December**. The presentation dinner will be 6.30 for 7.00pm with a guarantee of a prompt start because there is a lot to do.

The dinner will cost \$20 per head to be paid on the night, preferably in an envelope clearly marked with your club's name. If there is a surplus from the dinner, it will be donated to the RYLA Alumni Network to assist with their ongoing projects. Of course the dinner may be used as a make-up.

The dinner will provide an opportunity to experience the magic of RYLA first hand. In the past, club representatives have been most impressed to witness the development of their candidates. Additionally, some clubs have used the evening as an excellent opportunity to bring along prospective members or new members, to demonstrate Rotary at work. It is a fun and inspiring evening, you will not be disappointed. Please confirm numbers attending **by Thursday 1st December** by phone to Peter Skelton (03) 8591 2207 or e-mail pskelton@brightongrammar.vic.edu.au

Rotary Clubs are also responsible for collecting candidates from The Haven after RYLA on Saturday 10th December. This is important to ensure the Rotary connection is maintained for your candidate's benefit. We also encourage you to join the group for a BBQ lunch and presentation ceremony, on that day, commencing 12 noon, after which you will be free to take your candidate home. District Governor, John Wigley, will present the candidates with their RYLA certificates. The group will disperse at 2:00pm. Should you find yourself running late on pick-up day, please phone Gary Bradd 0418 107 800.

Yours in Rotary

Peter Harris, President of Brighton North Rotary Club
