The Bulletin

THE BIG NEWS

Cheryle and Adam have agreed to work together over the next two years on the big projects that will be revealed to the public on Sunday. For the exclusive knowledge of those of you who bother to read the bulletin, The projects are:

LOCAL

To provide a Skate Park within Brunswick to encourage our youth to be active, outdoors and healthy. This project works in well with the Moreland push for healthy habits for youth, so we are hoping to get the support of council to make this happen.

INTERNATIONAL

To set up a school in Manila to give the less fortunate children a chance for education. This school will work in conjunction with the existing Health Clinic in Bagong Barrio.

These projects are not for the light hearted, and we will need as many active Rotarians as we can muster to get these things happening, but the history of the Rotary Club of Brunswick is full of these ambitious projects. It is our duty to continue the history.

NEARLY A SELL OUT

Congratulations to us all for making a very good attendance of 19 or 20 at the meeting this week. (Sergeant Greg, can you please fine Terry for his lack of counting skills – was it 19 or 20?)

Ron Paoli was too busy making money to come.

John Hardwick was too busy making a baby-more or less- as he is a grandfather again.

We will agree that John had a good excuse for his absence and send our best wishes to him and his son or daughter and his/her husband or wife.

BOY FROM OZ

Bookings will be finalized next week so please make a point of advising Michael Leahy if you want one or more of our limited supply of tickets.

DISTRICT AWARDS

We are invited to submit any of our projects for consideration for a District Award and this matter will be discussed at the board meeting on Tuesday March 14th. Please state your case before that meeting if you believe any of our activities should be submitted for consideration.

HIGH SCHOOLS SPORTS

It appears that, although Brunswick Rotary is one of the closest Clubs to the Village, we are not invited to participate in the clean up unless some sort of disaster creates a desperate need for the reserves. We are still dutifully awaiting a call.

DISTRICT CONFERENCE

The meeting appointed President Doug as our representative to the Conference with authorisation to vote on the Motions presented for Resolution.

BRUNSWICK FESTIVAL

At the time of writing, this event is still in the future but I feel confident in reporting that we will make excellent friendly contact with the denizens of Brunswick and we need to make sure that we retain the details of those who show an interest so the President Elect and President Elect Nominee can chase them down and encourage them to come along to our wonderful club. Hopefully, we will need to seek a larger venue to handle the anticipated influx of members.

Equally, I confidently report that we will sell stacks of raffle tickets to help our projects along.

FORTHCOMING GUEST SPEAKERS

9.03.2006 Shane Conlin – “Health and wellbeing”

16.03.2006 Liz Mazeba – “Your body”

CURLY JOES

We are all invited for a test drive – at our own expense on Wednesday March 8th. Ask Lauri about the time if you will be there.

BOARD MEETING

As aforementioned on Tuesday March 14th at 5.30pm at Brunswick Industries.

Members of the outgoing and incoming Boards are earnestly requested to attend and stick beaks are also invited.
