SERVICE Above Self

**THIS WEEK
BY-LAWS DISCUSSION**

Mal Dubock presented the proposed new By-Laws which are largely aimed at seeing that our future decisions and actions are consistent with previous decisions and actions, at least that they are not accidentally inconsistent. After some discussion, a motion was proposed and resolved that the decision be postponed for two weeks until the meeting of June 15th. It would be a good idea if we were to each take the trouble to actually read the proposals and form an opinion on them. Please ensure if anyone needs a further copy of the By-Laws that they contact the Secretary directly.

THANK YOU TO JACK LUKE

We were advised that Honorary Member and former President Jack Luke, has made a donation to the club of \$100.00.

CHARITY BALL

Mel Kennedy presented her advertisements for a Ball (brochure attached) being promoted by herself, Dean and Michael Leahy.

Dear President/ Secretary,
Rotary Club.....

VISIT TO YOUR ROTARY CLUB AS GUEST SPEAKER

Excellency,

I take the privilege to introduce myself to your highness. My name is Babar Saeed.

Dear Sir, I am a Rotarian and I do serve this Rotary International through Educational Programs at Renaissance Postgraduate College, Renaissance School (I am Principal of these Educational Institutions), through the platforms of Renaissance Development Organization, Association for Innovative Measures (Both are Non-Profit, Non Political and Non Governmental organizations). I have arranged many Workshops, Seminars etc to highlight the true spirit of Rotary.

I have written forty-seven books. Besides this I do hold the post of Chief Editor of *fortnightly 'Nice Ties'*, one of the leading news-magazines published from the capital of Punjab-Lahore and Industrial metropolitan Gujranwala.

Last year, to celebrate Centennial year of Rotary, I arranged 12 supplements on Rotary International (I will post the copies of the same to you soon).

These supplements in our Magazine helped a lot to literate people about Rotary International in the area of Gujranwala. It will rightly help a lot for Rotary Membership Development Program.

Last year I had been invited to **Rotary Club High-rise Rotary Club Mid-City Brisbane, Australia, Rotary Club of Taksin, Pattaya, Thailand.** as Guest Speaker and it had really been a tremendous experience to speak to such a prestigious gathering.

I am going to attend **International Conference on Global Education 2006**, in Brisbane and Melbourne, Australia.

I would like you to allow me to attend your club meeting as Guest Speaker on my visit to Australia. I would be free to speak from 24 June-5 July 2006., and would like to share my experience about Rotary to you people.

By now, my published books range titles of International Standard like 'Made in Pakistan', 'Hands to Heaven', 'Dear Pakistan', 'Germany, Germans and their Culture', English Classical Poetry etc. (to name a few).

Pioneering English Journalism in Gujranwala. *fortnightly* '**Nice Ties**' takes pride in being widely circulated and most read news-magazine both in Pakistan and abroad. The Magazine offers wide spectrum of readership from different strata and cadres of masses. The magazine offers ever-longed-for opportunities to showcase public views through its prestigious journalistic platform with an assurance of reaching the objective-target readership.

Setting new trends in this non-circumscribe-able macrocosm of media, 'Nice Ties' is reputed for both its contours and contents.

'**Nice Ties**' has established itself as an authentic source of information concerning **Rotary**. Since each issue contains one or two extensive, research-oriented features about global social and community services, the magazine is much popular among Tourists, students, literary circles, and both Public and Private Institutes. The Circulation of The magazine has reached the number of 250000 Readers.

'Nice Ties' appeals to people who read for entertainment as much as for instruction and information; to intellectuals who believe that awareness of literature, peoples, cultures and histories make Travel experience more rich and rewarding.

Utterly crammed with insights, with gulp drafts of living water on every page, the magazine shows much research and is a valuable goldmine of information and wisdom for those who are interested in the **inroad of diversified cultures of people inhabiting this planet.**

Your highness!

In this regard I would like to have your assistance and guidance. Your consent would boost my confidence.

Please accept, Excellency, the assurances of my highest consideration and dedication for our extensive writing for **Rotary**.

Thanking you in anticipation and looking forward for a very positive and earliest response.

Yours very truly,

Prof. Babar Saeed
