SERVICE Above Self

A WIN FROM THE COMMONWEALTH GAMES

President Doug advised that we have received the sum of \$4521.00 for our work in organizing workers to assist in the Cleaning Project. As an aside, he said that we probably could have earned more if we had received all the Police Checks, some of which we are still awaiting. Michael Leahy, of course, saw an opportunity and suggested that we invest the \$4521.00 in a very nice Party.

Unfortunately, Doug would not comply as he has other plans for it.

Darrell, the manager of Brunswick Industries, brought along a couple of his workers namely Tony and Tara and Doug handed over a cheque for \$700.00. Bernard from St Vincent De Paul in Collingwood was given \$1400.00 for their work in providing food to the disadvantaged in Collingwood. (As of yesterday, the disadvantaged in Collingwood increased by 22).

Doug said that he is keeping about \$600.00 of the proceeds for our own works and I don't know what he has in mind for the remaining \$1800.00.

GUEST SPEAKER

We were addressed by Kate McKenzie on the Victorian Certificate of Applied Learning (VICAL).

Kate said that 90% of students will be doing year 12 by the year 2010 and that a higher percentage of year 12 students in Brunswick fail to proceed to University etc. than is the average for all of Melbourne.

VICAL is an alternative to VCE and concentrates on literacy and numeracy.

IOU

Lauri Penttila won the raffle for an absent bottle of wine and will be duly recompensed at the next meeting.

FAREWELL TO DOUG

Today was the last meeting addressed by President Doug who is heading off on a "luxury cruise" to Pakistan and the Phillipines.

CHANGEOVER ATTENDANCE

The club changeover at Moonee Valley on the 8th July will be the club meeting for that week, and to get the numbers we want all that has to happen is each member and their spouse / partner / special friend attend and they bring two other couples with them. If we all work towards this it will be a very successful evening.
