

Around the club...

Meeting at BIA 12th June

This week's meeting was held at BIA, where Cheryle presented Darrell Robinson (CEO of BIA) and Brian Baquie (BIA Board President) with a Rotary wheel and a plaque commemorating BIA's 40th anniversary. Darrell and Brian acknowledged the club's support and were happy to add the display to the outside wall to recognise the contribution over the last 40 years of Brunswick Rotary.

We were regaled with a number of Bagong Barrio stories... just ask Cheryle about the Bulut! It seems the trip was one of extremes, with emotional highs and lows... lots of fun, but upsetting times as well, seeing the extremely poor areas and the standard of living much lower than we're used to. But, the residents of Bagong Barrio all still seem to smile a lot!
