Meeting 19th June

Cheryle reported on the last board meeting on 18 June and noted the motions presented and passed at that meeting. (Dean, it may be an idea to lift them off your minutes). Cheryle also reported on the Club's visit to Bagong Barrio and her dismay at the state of the project. A lot of support and money is needed to make an impact and improve the life of the Filipinos using the facility. An end of the month meeting is suggested where fundraising ideas and projects for the coming year under President David Kennedy will be discussed.

President's change over

Date: Sunday 6th July
Time: 12:45 for 1:00pm, to 3:30pm
Venue: Tracey Centre
126 The Avenue (corner Walker Street), Parkville, behind Wool House

Guest speaker

Barry Cross introduced Rosetta Muscat who gave an inspirational talk on "How to Turn Your Fear into Fire."

Rosetta was diagnosed with breast cancer some time ago which after remission returned twice. She is in remission at the moment and has learnt to live life day by day to conquer her fear.

To Rosetta, fear has to be confronted – only action and doing the things you are most afraid of doing will destroy fear. Those who heard her address will be richer in understanding their own demons.

Dear Sir,

On behalf of my husband John, I would like to thank you very much for the recent hospital visit made by four of your members.

John was thrilled by the visit, and spoke about for days afterwards. It really raised his spirits, and I thank you for that.

On Monday 5th of May John was transferred to a nursing home. This as you can imagine was a difficult decision for the family, not having him at home anymore.

As always, John would most welcome any further visits by current or past Rotary members. He is at the Central Park nursing home in Windsor.

Yours sincerely,

Sylvia Lazzaro & Family
