Rotary Club of Brunswick

Club Plan 2008 – 2009

Introduction

The club was first established in October 1952 and has operated for the past 56 years serving the Brunswick community. The club has initiated and developed a range of projects of which it should be proud. It is important that the club continues to develop and initiate projects, which meet local and international community needs.

Background

In the past 3 years the club has developed a range of activities, which have given the club a new lease of life. During this time the club has had an influx of new members who are motivated and committed to undertake a range of community projects.

Membership

New Members

5 New members + Re-engage existing members who are less active initiate a Presidents Letter to local companies inviting membership – DK & Dean
