## Evening Meeting and Birthday Party

This week's meeting is an evening meeting as it the first meeting of the month. These meetings were designed to help those who had difficulty in attending a significant number of lunchtime meeting

The meeting is 6 p.m for 6.30 p.m. and will be followed by drinks to celebrate Mel Kennedy's 35<sup>th</sup> birthday. Maureen Dubock is coming for that purpose and other friends are invited. Mel contributed significantly to the team effort of the last three or so, years particularly last year as Treasurer and supporting Dean as Secretary. She also made great contributions to The Roast, The Dances Into, The Bulletin, The Sydney Road Street Party and other projects.

It is also our special guest Molly's 18<sup>th</sup> birthday this week.

## T.H.I.M.U.N.

At the last Board Meeting (Aug 21<sup>st</sup>) the club allocated \$1000 towards sending Molly Arnol's fund raising efforts to attend **THIMUN The Hague International Model United Nations** (\$6,500 needed) in January 2009.

Kofi Annan former Secretary General of the United Nations said:-

***“The fact that THIMUN exists to uphold the ideals of the United Nations among the young is particularly important since it form the young that we should draw our energy and inspiration as we strive to make the United Nations effective and responsive to the needs of the people world wide”.***

Molly lives in West Brunswick and goes to school in Richmond.

## The Old Boys

Recent birthdays of note are:-

- Will Moulding just turned 104 years and might well be the oldest member in the District.
- The young fella, still regularly attending meetings – Bob Jamieson just turned 81,
- Another member who regularly attends at meetings is Eric Gowers', whose birthday isn't for another four months when he will turn 88.

## Soup Van

David Earley was the first to spend the night on the soup van under Doug's guidance with St Vincent de Paul last Wednesday

There are others who wish to spend a night with Doug. He can take two at a time and those wishing to take the opportunity should contact Doug direct.

Directions for those who go will be: Meet at Melrose St, North Melbourne at Senior Citizens' Place opposite St Aloysius Girls' School between 6.30 p.m. and 7 p.m. The finishing time is between 10 p.m. and 10.30 p.m.

## North Brunswick Primary School

Andrew Horgan reported that he and Peter Johnstone visited North Brunswick Primary School and are having useful dialogue with them and further discussions about a gardening project.

The project ties into the MITRE 10 "Fix Up Australia" project and they may assist with tools, a water tank, hoses plants and other equipment for a properly organized project.

## Rotary Foundation Grant

President David, Cheryle (International) and Maurice (Foundation) met last Wednesday to compile the application for a matching grant to fund the purchase of the Jeepny and other items for Bagong Barrio.

## Don't Forget

**BRUNSWICK'S DISADVANTAGED** - There were a small group of people who benefited significantly from the Dances Into... for social and well being reasons. When it was argued that the "Dances " were not viable, one matter off deep concern was that we would make provision for these people. We haven't done that as yet.

**YOUTH ARTS EXHIBITION** – The Exhibition is on the same weekend as the visit by the R.C. of Marikina. Whilst a number of Rotarians will be at Healesville with our visitors, others will be needed to staff the Exhibition with Jason. Although this year the students themselves will do most of the duties we will need a Rotarian on duty at any time to supervise the event.

## Brayshaw Art

Our Guest Speaker Russell Stuckey, the President of the Rotary Club of Moreland, spoke on the fascinating subject of the Brayshaw rock paintings in the Kimberleys of Western Australia

These paintings are a mystery as they are over 50,000 years old and there is a strong indication they pre-date the Aboriginal presence in the area. They are very advanced for their era.

Russell's father Colin Stuckey was a member of the R.C. of Brunswick from March 1971 to April 1978.
