

Kevin Dale's Lunch

The club is most grateful to Kevin Dale who has once again generously invited us to lunch at his work place dining room at Andale Repetition Engineering P/L, 55 King St., Airport West, on Thursday 22nd January 2009.

The dining room seats 30 comfortably, although extra places can be set. It was heavily booked last year.

We will charge \$30 per head x 30 = \$900 to educate two children in Bagong Barrio

Attendance

Attendance at last week's meeting was by being at dinner at P.J.s on Southbank after watching a couple a games on the big screen at Federation Square last Thursday. It was also an opportunity to do a reconnaissance for our staffing role yesterday (Sunday).

As it was a District initiative those who staffed the HWC yesterday (Sunday) are granted a Make-Up.

Homeless world cup

Special thanks to Doug Walsh, for organising our part in staffing the Homeless World Cup yesterday (Sunday 7th December). It was a long day but an enjoyable experience. There were twelve of us there.

One of the amazing things about Rotary is that there is always an opportunity to widen our life experience by being involved in something new. The whole concept is really brilliant and to see it inaction a revelation

Subscriptions due

It would be appreciated if all outstanding subscriptions could be paid before Christmas. Our treasurer has a busy practise and it will help him if he does not have lose time chasing up payments
