

## Dean's Year

President Elect Dean Kennedy gave a most positive presentation on how he sees the Club progressing during the next Rotary Year.

He intends to focus on two aspects **Connect** and **Attract**

## Connecting

Expanding written communication by

Continuing the Bulletin;

Adding a monthly publication with a much wider circulation; and

Having a widespread quarterly magazine.

Arranging a Community Networking Day. Inviting all groups in Brunswick to present their purpose, objectives and programmes so they can be aware of and interact with each other.

Reinforcing our strong tradition of fellowship and friendship continuing within our club and having fellowship dinners. Within the Cluster having a joint Trivia night and joint meetings.

Having Club Assemblies.

## Attracting

Business Awards making us more visible to prospective members.

"Friends of Brunswick Rotary". Volunteers who whilst not wanting to be Rotarians would like to join us when we are involved in local community activities.

Membership Marketing Campaign to include online marketing.

## Henry joins The \$1,000 club

Further to the generosity of so many of our members, Henry Rekaris joined the \$1,000 club by donating \$1,000 for the Bush fire appeal. Members have so far individually donated \$16,000. Particulars on receipts will be available next week.
