

Final Project for the year – 27th June 2009

This is a club project.

An opportunity to come together, wanting to satisfy ourselves that we in Brunswick are who we think we are and making our club work.

We will be running the BBQ at the Jones Park playground opening for the Moreland City Council on Saturday June 27th. 10 a.m. The food is to be ready at 11.30 a.m., after speeches commencing at 11 a.m., until mid afternoon.

Andrew Horgan is the co-ordinator

The final opportunity to work together this Rotary year and demonstrate our support for President David in what has been a successful but difficult year for him in view of his sudden illness.

Successful in that we had \$15,000 committed to the bush fire Relief within a week of the fires. The visit by members of our sister club, the Rotary club of Marikina. The second year of the Youth Arts project.

Frustrating in that The Rotary Foundation could not match the money we have set aside for projects in the Philippines because of the World wide financial crisis. Hopefully that will resolve itself in the coming year. I can't help wondering what the poor people of Bagong Barrio think, we went there full of promise and we haven't yet given them anything. Whilst we understand what has happened do they?

We still have our money we only need the Foundation's support

This, our final project for the year is one that is very important to us. Supporting another project within our own community of Brunswick.

Changeovers

Please advise us if you intend going so we can add to the following lists.

District Changeover – Saturday 27th June 2009 at the Melbourne Functions Centre

Attending so far Dean Kennedy
 Mel Kennedy

R.S.V.P. today. David Redfern 0448 852 747 or
President David Kennedy

Attending so far David Kennedy
 Andrew Horgan
 Mal Dubock

Night meetings

With only half the normal attendance at night meetings, should they continue? Although there is no way I would join a club that meets in the evening (I could handle breakfast) I do like the occasional, once a month meeting in the evening.

Name Ten

I sometimes wonder whether the Sergeant at Arms should put an educational element into the session. Like name the first ten Prime Ministers of Australia (Andrew Fisher can only be counted once).

As our new generation Rotarians are more District friendly, it might be interesting to ask who can name the last ten District Governors.

I'm astonished by sitting down and thinking about it I got eight and seven.

The District Assembly

It seems that the overall organisation was excellent.

A new generation member attending his session felt that being a volunteer giving of his free time listening to presentations for an hour with ten minutes of valuable information was a bit annoying and might need to be reviewed by the District Training Team. Dedicated and enthusiastic presenters may not realise most in their audience will already have a fair bit of knowledge and understanding of the subject matter.

Some ugly Rotarians were most rude to some of our members who had volunteered to help staff the Assembly by parking cars

If the club is to co-operate with Cluster, District or other Clubs in future we need to have a stake in the planning and operation of the function or event. Not just be expected to turn up to be somebody else's' navvies. It has no appeal

Chartering a new Club

At Surnac on Central Pier, 161 Harbour Esplanade, Docklands on Tuesday 23rd June 2009 7 p.m. for 7.30 p.m. \$70 per head

Attached is the circular from P.D.G Ann White concerning the Chartering of the new club at Docklands.

I wouldn't mind going to it, as Ann deserves a great deal of support. Not only was she our first female District Governor who did an outstanding job then and at other times for Rotary, but also her father was in his time a member of RC of Brunswick. But this is Changeover season.

Programme

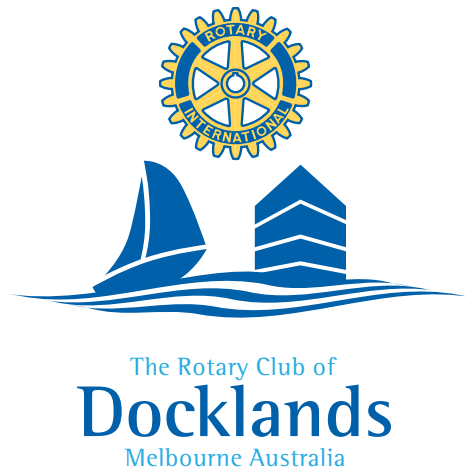

Thursday 11 th June 2009	Lunchtime meeting 12.45 pm for 1 pm	Bridie O'Reillys Guest Speaker t.b.a.
